

2018 Edition

CORPUS CHRISTI CATHOLIC HIGH SCHOOL

AUTUMN NEWSLETTER

Message from the Headteacher

Dear Parents/Carers

It is my privilege to be writing to you in this first newsletter of the year as Headteacher of Corpus Christi High School. I shared with you my absolute delight at being appointed Head of such a wonderful school and I can honestly say that nothing has diminished this. During this first half-term in post, I have experienced first-hand the dedication of staff, the support of Governors and the genuine commitment, hard work, good manners and caring nature of our pupils, your children.

Two weeks ago we held our Open Evening for parents of Year 6 children. Our Year 11 prefects were on hand to take our visitors around the school and many people remarked on the way these young people conducted themselves throughout the evening. I would like to endorse this and give my personal thanks to them and to tell them how very proud I am of them. They certainly were outstanding ambassadors for the school and all that we stand for as a Catholic community.

This last week has been very exciting with the school production of 'We Will Rock You'. The performances have been magnificent and the talent of our pupils has truly amazed me. Again, I want to publicly extend my thanks to everyone involved, both on and off the stage. In particular, I want to thank Miss King and Mrs Evans for

SCHOOL MISSION STATEMENT

Together we are the body
of Christ

In our school community
we will

- show our love by helping and forgiving each other
- recognise that everyone is unique and celebrate their differences
- value ourselves, develop our talents and help others to develop theirs
- strive for excellence in everything we do
- grow closer to God in word, in Sacrament and in what we do
- live in partnership with all those around us
- respond to Christ's call to build His kingdom

their hard work and commitment in making a production such as this possible.

In fact this half term has been phenomenally busy, with so much going on both inside and outside of school. We have had many sporting successes as you will read. Our young people have been involved in eco-projects, the Welsh Youth Parliament, an Anti-Bullying training day and various trips.

We have had a visit and talk by Julie Morgan, our AM. This week our assemblies have been led by two of our last year's Year 11 pupils. It was obvious listening to the two boys speak, how passionately they feel about the support they had during their time here at school.

This year, as part of our commitment to our Corpus Christi Pupil Profile, we have introduced an opportunity for whole-school prayer at the end of Friday afternoon. This is a time for all of us as a community to reflect on the week and on our lives. Our school Chaplain, JR, leads us through this timely reflection.

Next half term is already shaping up to be another busy time with many new opportunities for our pupils. I would like in advance to thank the forty pupils who are going to represent Wales in the PISA tests in November.

I would also like to thank parents and carers for your commitment to ensuring your children are attending school each day. I cannot stress enough the detrimental effect that absence has on a child's performance and I do want us to work together in ensuring your child is given the best possible advantage for their future. Furthermore, I would urge parents of Year 11 pupils to look at the school calendar to see whether their children are involved in any of the upcoming GCSE examinations in November. May I also ask that your child has all the relevant equipment so that they are ready to start all examinations promptly and prepared.

It only remains for me to thank you for your support for the school over this last half-term and to wish our pupils a good and safe break.

A handwritten signature in black ink, appearing to read 'P. Brunnock', enclosed within a white rectangular box.

Patrick Brunnock
Headteacher

ATTENDANCE

The whole school attendance total is currently running at 96.30% which is lower than we would expect at this time of year. The final attendance figure for Academic Year 2016/17 was 95.50% and in order to improve or maintain this, we need to make sure that every pupil attends school regularly, therefore your continued support and co-operation is appreciated. The Welsh Assembly Government's target for **pupil attendance** is **95%**. Anything under this figure could mean that the Educational Welfare Service will contact you to find out why your child has been absent from school.

Below is a current breakdown of each Year Group's attendance:

Year 7	98.2%
Year 8	96.4%
Year 9	95.9%
Year 10	96.1%
Year 11	96.3%

(10.10.18)

- It is a parent's legal responsibility to ensure their child attends school every day.
- Parents responsible for children who exhibit poor attendance risk prosecution and a **Fixed Penalty Notice** fine being issued by the Local Authority.
- Children are not allowed to go on holiday during term time.

Absences due to Illness or Medical Appointment

Although you may have contacted the school by telephone, E-mail or in person to notify us of your child's absence, you are still required to provide a parental note, E-mail or appointment card in order for the absence to be authorised. In certain circumstances of illness medical evidence may be requested in order to authorise your child's absence.

WHY ATTENDANCE MATTERS

<u>Attendance</u>	<u>Absence</u>	<u>Lessons Missed</u>	
100%	0 Days	None	😊
99.5%	1 Day	5 Lessons	😞
97.4%	5 Days	25 Lessons	😞
95%	10 Days	50 Lessons	😞
80%	38 Days	190 Lessons	😞
70%	57 Days	285 Lessons	😞

- Missing lessons makes the work more difficult.
- For every day you are absent from school YOU fall behind in **5 Subjects**.
- 100% Attendance = **ACHIEVING YOUR POTENTIAL**.

CALLIO Attendance Campaign

We have also recently introduced the Callio Attendance Campaign which aims to give parents/carers more information about how attendance can impact on pupil achievement and updates them regularly on their child's attendance.

The target for each pupil is a minimum of 95% attendance at the end each academic year and detailed below is the Callio colour banding framework.

The rewards for good attendance are clear. Pupils are more likely to enjoy school, achieve better results and increase their life chances.

CALLIO ATTENDANCE BANDING

Category	Attendance % at the end of the school year	Total number of days missed at the end of the school year
GREEN	100%	0
	97%	5
	96%	8
	95%	10

Adoremus – Eucharistic Congress, Liverpool

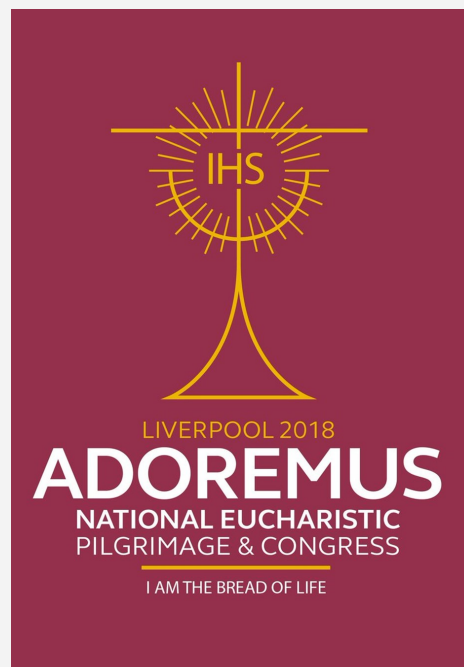

Adoremus in Liverpool was an event, which in my opinion, strengthened my faith.

On September 8th this year, JR, along with some representatives from the Archdiocese of Cardiff, attended 'Adoremus – A Eucharistic Congress' in Liverpool. This Catholic event was facilitated by the Diocese of Liverpool and was attended by thousands of people around England and Wales.

Our main venue was Echo Arena, and as soon as I entered the hall, my breath was taken away by the hundreds and thousands of people who travelled hours to be here.

Bishop Robert Barron captivated me with his talks about the Eucharist and the deeper meaning about the mystery of the Mass. In addition, there were many different acts such as a drama which showed a group of youth losing their faith because Jesus did not physically reveal himself. Throughout the drama, Jesus walked around and called out to the individuals and told them to stay strong, although they could not feel or hear him. It led me to realise that the reason for the declining faith within us youth was because we aren't physically touched. We don't take the time to spiritually nurture ourselves as we do with our physical being. Adoremus showed me more to what we, as youth, would consider being a Catholic - going to mass and living our Christian lives. However, as Bishop Robert Barron reminded us, our faith is a universal body of believers.

Pranjil (Headgirl)

Pisa Assessments

Best wishes to the forty Year 11 pupils who have been selected to represent Team Wales in the international Pisa assessments that will take place on the morning of Tuesday 20th November.

Go Team Wales!

Grapes grown in the garden by Eco Schools.

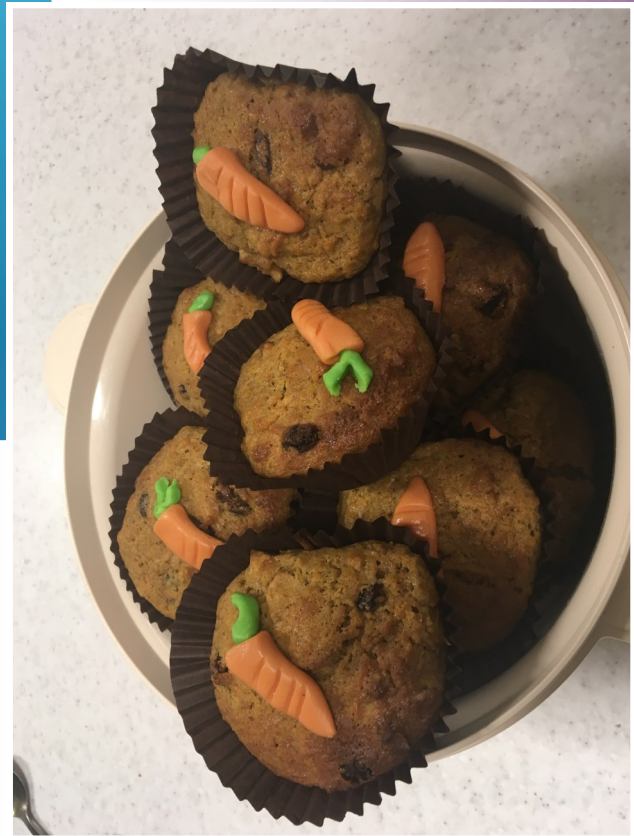

The school garden enjoyed the benefits of the hot summer weather and managed a prize crop of grapes this year!

Rhubarb and Raspberries grown in the school garden and turned into a delicious crumble by the Food department!

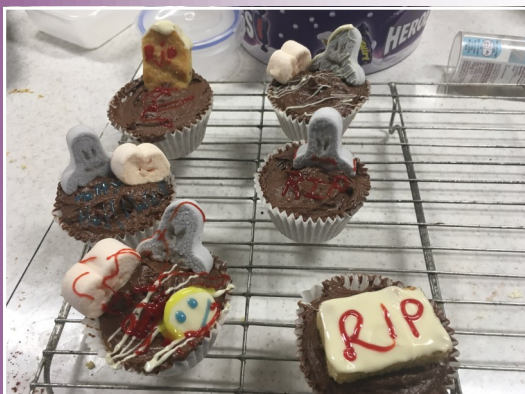

Eco schools have been busy growing carrots this term for Year 8 Food Technology - healthy carrot and walnut muffins!

Design & Technology

Halloween Cake Competition

And the winner is...

The spiders web cake by Leah S!

Well done to all the Year 11 Hospitality and
Catering pupils who took part.

On Tuesday October 9th, Mrs Wilson took a group of six Year 9 pupils to an Anti-bullying Training Day held by the Princess Diana Award Trust at Llanishen High School. The pupils behaved exceptionally well and were a credit to Corpus Christi. Congratulations to...

Eve L

Faith L

Angeline A

Olivia H

Aimee W

Isabella W

who are all now fully trained Anti-bullying Ambassadors. Congratulations to all of the other successful Year 9 applicants who applied to be Anti-bullying Mentors and good luck with your new role. We hope you wear your badge with pride!

Welsh Youth Parliament

Our Student Council Reps have met for the first time this year and one of their first priorities was to encourage as many pupils as possible in the school to register to vote in the new Welsh Youth Parliament. Watch this space for more information We have three pupils from Corpus Christi High School standing in the upcoming elections!!

<https://www.youthparliament.wales/about>

Julie Morgan Visit

We were delighted to welcome Julie Morgan, the Cardiff North AM to our school on Friday 5th October. Julie spoke to the whole of Year 8 about how the Welsh Assembly works and about her experiences of representing Cardiff North for the past 20 years. She also addressed how important it is for Young People to have a 'Voice' in current affairs. She was very keen to tell our pupils all about the new Welsh Youth Parliament - giving the reasons behind it, how it will all work, how the children can get involved in voting etc.

Prior to her visit, our Year 8 Student Council Representatives met to discuss possible questions to ask Julie. They were:

- 1) How long has Cardiff Youth Council been running and what changes have happened in Cardiff as a result?
- 2) How often will the New Welsh Youth Parliament meet and how will it work bearing in mind that young people will be coming from all over Wales?
- 3) How will the Youth Parliament decide upon which issues are their priorities to discuss and action?

After the event, Julie expressed how impressed she was with the behaviour of our pupils and more importantly, the engagement of our young people in the Q+A session.

We will be commemorating the centenary of the end of WW1 with all Year 9 pupils on the week commencing the 5th November. "CORPUS REMEMBERS" week will involve all Year 9 pupils studying different aspects of WW1 in all of their lessons, as a cross-curricular approach.

The week will finish with a non-uniform day, costing £1, with half of the proceeds going to the British Legion. The History department and other members of staff will hopefully be dressing up in fancy dress that day and all staff are welcome to do that too! We will also be holding a remembrance service on the Friday with the unveiling of our new remembrance garden.

"Lest we forget".

Mr Thomas

History

CHRISTMAS CHOCOLATE HAMPER RAFFLE

This year the Library is raising money for the charity '4Louis', a charity which supports families through miscarriage, stillbirth or child loss.

Raffle tickets, costing 10p, will be on sale after half-term. There will be two prizes!

In December we will also be selling Christmas keyrings, gift tags, Christmas earrings and Christmas chocolates.

Please help us to support this wonderful charity.

Geography

Year 11 Geography Fieldwork

On the 21st September, 85 Year 11 pupils visited the River Garw, Bridgend as part of their *GCSE Geography* fieldwork investigation. The aim of the investigation was to study the changing characteristics from the source to the mouth of the River Garw. Although we did not have great weather, all the pupils braved the wind and the rain and collected some great data that we have been using to write up our projects in class.

Following this, on Tuesday 25th September the same group went into Cardiff City Centre to complete their human investigation into the regeneration of St David's II. The weather was much better and pupils were able to collect pedestrian flows, complete their surveys and speak to members of the public.

Geography Trip to Iceland

The Geography Department is pleased to have enough interest to lead a trip to Iceland in October 2019 for pupils in Year 7 and 8. This is going to be a fantastic opportunity for pupils to see volcanoes, geysers, the Gullfoss Waterfall and glaciers.

Year 8 Traffic Enquiry

This term Year 8 have been completing a geographical enquiry about the traffic in the local area. They have developed a range of skills including writing hypothesis, data collection, data presentation, analysing results and finding conclusions. They have been working extremely hard and produced some fantastic projects.

GCSE Mathematics and Mathematics-Numeracy

Reminders

Revision Support

Weekly after-school revision - Pupils are expected to attend their own class' session every week. If unable to attend, pupils must inform their Maths teacher and attend an alternative session, delivered by another teacher.

Set	Tier	Teacher	Day
1	Higher	Ms Hesp	Tuesday
2	Higher	Ms Wood	Thursday
3	Intermediate	Mr Jones Pritchard	Tuesday
4 and 9	Higher/Intermediate	Mr O'Neill	Tuesday
5	Intermediate	Mrs Ling	Thursday
6	Intermediate	Miss Bishop	Tuesday
7 and 10	Intermediate	Mrs Bussell	Thursday
8 and 11	Intermediate/Foundation	Mrs Donovan	Wednesday (lunch Wk A, after school Wk B)

Past papers will be sent home on a weekly basis as homework.

These must be submitted a week later and will be marked by the teacher or self- marked by pupils. Past papers should be completed steadily over the course of the week so that pupils can refer to books, online support or seek help from their teacher when necessary.

All questions should be attempted. Parents will be informed if pupils fail to meet submission deadlines or show insufficient effort.

Frequent consolidation is crucial. To support students' retention of key skills pupils will also be set weekly online revision tasks on either MyMaths or MathsWatch (login details were sent home last term).

MOBILE PHONES

The school has a very clear policy about the use of Mobile Phones by pupils on the school premises.

Pupils are **NOT** allowed to use their phones under any circumstances. If a pupil needs to contact home in an emergency, their Head of Year, Assistant Head of Year or the school office will assist them in this.

If a pupil has their phone confiscated, it is returned at the end of the day. If, however, it is subsequently confiscated, then this will involve a longer period of confiscation of up to a week. If a child's bus pass is on their phone, the office will lend them the bus fare to get home, but please inform the school via email (bmullins@cardiff.gov.uk) if you would prefer to make arrangements yourself to collect your child rather than let them make their own way home without their mobile phone.

Clearly, it is in everyone's interest that pupils do not have their phones taken and if parents could remind their children about this we, as a school, would be grateful as it makes life much easier for all concerned.

Thank you

SCHOOL BUS TRAVEL BEHAVIOUR CODE

TO BE SAFE

- When the bus arrives, wait for it to stop before boarding
- Get on and off the bus carefully – pushing or rushing can cause accidents
- Always wear your seat belt and stay in your seat for the whole journey – it could save your life
- On a school bus, stay in your seat for the whole journey
- On a public bus, find a seat if one is available
- Store your bag or other belongings safely and out of anyone's way
- Let the driver drive without distraction during the journey
- Take care of the bus
- Never spit or smoke
- Never be rude to other learners or the driver
- Never interfere with driver controls or safety equipment
- Never throw anything in or from the bus
- Only operate the bus doors or exits in an emergency and don't get off the bus until it has stopped
- Always follow the instructions of the driver or passenger assistant
- If there is an accident, stay on the bus until you are told to leave – but leave the bus by the safest exit if it is unsafe to stay on the bus
- When crossing the road find a safe place where you can be seen by all other drivers
- Please tell a teacher, parent or driver about any bad behaviour you see

ICT

Congratulations to the new Digital Leaders Team 2018! From a lot of very good applications, we have recently appointed a group of pupils from year 9 and 10 to be digital leaders within the school. Most subjects have pupil assigned to help them with any digital tasks they may want to undertake. As part of the team, a Digital Leader can expect to perform the following roles within school:

- Blog on behalf of the School a class or club.
- Find online resources that they think are appropriate for teaching and learning
- Share ideas with their subject leaders
- Test new ICT resources, which could be websites, software or hardware.
- Share their skills and expertise with other pupils, classes and teachers.
- Lead ICT lunchtime clubs.
- Work with children from other schools on specific projects.

These pupils will have a badge as to identify them. Pupils and staff are able to approach these pupils with any issues with computers, ideas for digital literacy tasks or competitions that they think will be of interest to them.

ICT GCSE Year 11 examination – Unit 1

The WJEC Unit 1 examination is on January 10th 2018. Revision will start after October half term at 3.30pm in Rm 9 with Ms Gatiss. See below for the times and dates. They are not on the same day every week due to meetings, but we suggest attending at least one session a week.

English

Year 10 Blood Brothers Trip

130 of our Year 10 pupils had the opportunity to see the matinee performance of 'Blood Brothers' at the Swansea Grand Theatre on 26th September as part of their preparation for May's English Literature GCSE examination. The pupils who went were a credit to Corpus Christi and enjoyed the performance immensely.

Year 10 and 11 MAT pupils

Year 10 and 11 MAT pupils have had the opportunity to participate in the 'Introduction to Playwrighting' course at the Sherman Theatre that began on Saturday 13th October and will run on Tuesday evenings from 6th November.

Year 11 Pupils

A reminder to all Year 11 parents that the group discussion task, which comprises 10% of the English Language GCSE will be set on Thursday 15th November and pupils will be recorded on Thursday 22nd or Friday 23rd November.

Guidance for Parents

Do you know how to keep your children safe on the internet?

SWGfL are a not for profit, charitable trust company, that provide learners throughout the South West of England with safe, secure and reliable internet connectivity; broadband-enabled learning resources and services; help support and advice in using the internet safely. Find out more at www.swgfl.org.uk

Gaming

Gaming is fun but can be all consuming. Why not use the gaming consoles safety settings to help control age rated games and the amount of time spent online. Pay attention to the PEGI (age) ratings and what they mean.

PEGI: www.pegi.info/en/index

Common Sense Media: www.common sense media.org

Social Media

Social Media is a great way for your child to communicate and engage with peer groups. Consider privacy settings and sorting friends into "groups" within these sites relevant to their age. Talk to them about what they post and whether it is appropriate, it can affect their future / relationships / self-esteem.

UK Safer Internet Centre: www.saferinternet.org.uk/parents

Digital Parenting Magazine: www.vodafone.com/content/parents/digital-parenting.html

e-Safety for Parents/ Carers on Hwb: <http://hwb.wales.gov.uk/pages/eSafety-ParentZone>

Instant messaging

Instant messaging is a fast, fun way to speak to friends and family. Ensure your child understands that they may be talking to people they do not know so a conversation about what is appropriate or not to send is a good idea.

UK Safer Internet Centre: www.saferinternet.org.uk/parents

Connect Safely: www.connectsafely.org/guides-2

Cyberbullying

Remember, it is not the technology but the behaviour of the bully that is the problem. Would your child turn to you if they needed help? It's always worth talking about bullying issues and making sure your child is supported. Reporting incidents not only helps your child but others too.
