

2017 Edition

CORPUS CHRISTI CATHOLIC HIGH SCHOOL

WINTER NEWSLETTER

Message from the Headteacher

Dear Parents and Carers

The end of term is here and for pupils and staff alike, it really is time for a break. This has been an extraordinarily busy term and it's time to recharge the batteries! Some Year 11 pupils, however, are preparing for the Finance Exam during this week and so they really do need to keep up their resilience for just a little longer!

A reminder that English exam revision sessions for all Year 10 pupils, and those Year 11 pupils resitting the exam, will be taking place in school on Friday 5th and Saturday 6th January between 9.30am – 12.00pm. Please ensure that your children attend this important revision time.

We are delighted to announce that, subject to confirmation, the school has been categorised as a 'Green' school.

SCHOOL MISSION STATEMENT

Together we are the body of
Christ

In our school community we will

- show our love by helping and forgiving each other
- recognise that everyone is unique and celebrate their differences
- value ourselves, develop our talents and help others to develop theirs
- strive for excellence in everything we do
- grow closer to God in word, in Sacrament and in what we do
- live in partnership with all those around us
- respond to Christ's call to build His kingdom

We are well and truly into the season of Advent and pupils have had the opportunity to reflect on the significance of this time in the Church's year through assemblies, RE lessons and the opportunity to receive the Sacrament of Reconciliation. We are very grateful to our Parish priests for the support they give us at this, and other times of the year.

At the time of writing, preparations are well under way for the Carol Service and it has to be said the pupils are working hard preparing a most befitting liturgy. Parents and families will have the opportunity to come to the service on Thursday evening when we will welcome the Honorary Consul to the Ambassador of Slovakia, as our special guest. Pupils will also have the opportunity on Friday to participate in the service. It really is a wonderful way to remind ourselves of the true meaning of Christmas and I would encourage you to come along on Thursday evening (7.00pm) if you can.

School finishes at 1.35pm on Friday and it only remains for me now, on behalf of the staff and Governors, to wish you and your families a truly happy, holy and peaceful Christmas and a Happy New Year. We look forward to welcoming your children back on **Monday 8 January 2018**.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'P. Pavlovic', with a long horizontal flourish extending to the right.

Pat Pavlovic
Acting Headteacher

St Francis and the First Nativity Scene

St. Francis was first inspired after visiting the actual stable in Bethlehem on a pilgrimage. There, his devotion to the Child Jesus deepened – a child born into the world in such poverty, humility, and simplicity. St. Francis sought to share this beautiful moment of history to the others. On Christmas Eve of the year 1223, St. Francis recreated the scene of Christ's birth in a special Mass he held inside of a cave in Greccio, Italy, inviting both his fellow friars and the townspeople to join in the celebration. This recreation of that first Christmas night was so popular that soon every church in Italy had its own nativity scene. The devotion also spread to private homes, and in modern times even to secular institutions all around the world.

Our New School Nativity Scene

On the 18th December 2017, we were very fortunate to have the company of Pastor Gareth (St Philip Evans Parish) to bless our school's brand-new Nativity Scene in preparation for the Christmas season. We were also accompanied by our school Head Boy and Head Girl, Senior Prefects and also Year 7 representatives.

A huge thank you to the work of Mr Dave Geen and Mr Jon Wintle who designed and built the amazing 61" length stable from the ground up. We really appreciate your help in donating your time and talents to improve our school Nativity Scene.

As we journey towards Christmas, we gaze onto our Nativity Scene not just as a pretty Christmas decoration but also as a way for us to imagine the very first Nativity. The King of Kings and the Lord of Lords who chose to be born not in a palace or a mansion but in a poor and dirty stable surrounded by shepherds, animals, wise men but most importantly, surrounded by family. May we be inspired this Christmas to also give birth to Christ in our hearts, our homes and in our families. Have a Merry Christmas and blessed New Year!

Reconciliation in Advent

Advent is a time of waiting and preparation towards Christmas. As part of our school's Advent preparation, all Year groups were given the opportunity to attend the Sacrament of Reconciliation (Confession) in the school Library. This occurred on the 30th November to the 6th of December. For each Year Group, we had morning Assemblies relating to the themes of Reconciliation as another way to prepare for the Sacrament of Reconciliation.

We want to thank the local priests who came and gave their time for Confession:

Canon Matthew Jones (Three Churches)

Fr Ambrose Maliakkal (St. Joseph's Parish)

Fr Tony Furlong (St. Peter's Parish)

Fr Michael McCarthy (St. Alban's Parish)

Fr Bernard Sixtus (St. David Lewis and St. Francis Xavier's Parish, Usk)

We also thank the teachers and staff who have been kind enough for me to take some of their students out of class time for this special sacrament. Thank you for your support.

The next opportunity for the Sacrament of Reconciliation here at school will be during the Lenten season before Easter. All local Catholic parishes have Confessions available weekly usually Saturday. Please check your local parish newsletter or see the link below for Mass and Confession times in all Catholic churches in Cardiff:

<http://weekdaymasses.org.uk/en/area/cardiff/churches>

Giving at Corpus Christi High School

Christmas is a time for giving as we celebrate the greatest gift of all - the free gift of God's love to us, shown in the birth of Jesus Christ, the baby in the manger.

Throughout the year, our school community has shown our commitment to Christian values, raising funds for many different charities. Thank you to our generous staff, families and pupils who have organised events throughout the year.

We have been able to give to the following causes:

Teenage Cancer Trust (£292), 2 Wish Upon a Star (£180), MacMillan Cancer Support (£178), UNHCR Appeal for Rohingya Refugees (£466), Show Racism the Red Card (£871) and a wonderful £25,320 for our former pupil Chris Babu. Our Christmas fundraising on the last day of term will go to Cancer Research and the Huggard Centre for the homeless. We have also taken part in the Shoe Box Appeal and collected Christmas gifts for the homeless.

School Admission Arrangements 2019-2020

Cardiff Council is holding a consultation on School Admission Arrangements for the 2019-2020 academic year. The consultation period is running from 12 December 2017 until 30 January 2018. This consultation is an opportunity for people to learn about proposed changes to the Cardiff Council School Admission Arrangements for the 2019/20 academic year. It is your chance to ask questions and make comments that will be considered when the Council decides how to proceed.

You can view a copy of the consultation document which should be considered in conjunction with the draft School Admissions Policy 2019/20 online at www.cardiff.gov.uk/admissionarrangements

Corpus Christi High School Admission Policy draft 2019/20

Corpus Christi High School's draft Admissions Policy for 2019/20 is also available for consultation. Oversubscription criteria remain unchanged from the 2018/19 Policy. Please contact the Admissions Officer at school if you would like a copy, or email caroline.willis@cardiff.gov.uk. Comments on the proposed Admissions Policy should be returned to the Admissions Officer by **1st March 2018**.

Year 11 Visit to The Houses of Parliament 28th November 2017

Corpus Christi was once again kindly invited to attend a visit to the Houses of Parliament at the end of November. The event, organised by Archbishop Stack and the Diocese, was attended by two of our Year 11 pupils, Nicole Lundrigan and Oliver Brain. The day was very informative and exciting, witnessing first hand a debate focussing on the finer points of the Budget. We were also lucky enough to have a full guided tour of Westminster Palace and learned the procedure and rigmarole associated with passing a new law. It can take up to two years for very general laws to be passed, so we wished them well with Brexit! We were very grateful for the time Kevin Brennan, Member of Parliament for Cardiff West, gave to us. He gave us a first-hand account of the inner workings of Parliament, and recounted his interesting path into the world of politics. The highlight of the trip for the pupils was the visit to St. Mary Undercroft chapel, a rare treat for the general public. We were told first hand of the unique and diverse history of the chapel and were shown a 500 year old chalice, which is still in use today! We were also very grateful to Lord Murphy who spoke about the rich history of parliament and his enthralling time spent working as Secretary of State for Wales and Northern Ireland, and his role in the Good Friday Agreement. We finished the day with high tea, looking over the River Thames. We would like to express our thanks once again to the Archbishop and the Diocese for this wonderful opportunity.

5 December 2017

Dear Headteacher,

I write to thank you for allowing some of your senior pupils to participate in the visit to the Houses of Parliament organised by the Diocese of 28 November.

It was an outstanding occasion. Welcomed at the new Parliamentary Education Centre, they were then given a tour of the House, including observing a debate from the galleries. A visit to Westminster Hall followed by access to St. Mary Undercroft Chapel, not usually open to the public. They listened to a fascinating address by Lord Murphy of Torfaen. Later on they participated in a structured debate on the lowering of the age of voting and made an outstanding contribution. Kevin Brennan, Member of Parliament for Cardiff West, spoke to them about the role of Parliament and the need for their continued interest in public affairs. The day concluded with a reception on the famous terrace overlooking the Thames.

The pupils were a credit to themselves, their families and their schools. I hope they will have the opportunity to share their experiences with their fellow pupils. From all they said, they truly valued this opportunity a unique educational experience.

With very best wishes for Christmas.

Yours sincerely

+George Stack

Archbishop of Cardiff

MOBILE PHONES

The school has a very clear policy about the use of Mobile Phones by pupils on the school premises.

Pupils are **NOT** allowed to use their phones under any circumstances. If a pupil needs to contact home in an emergency, their Head of Year, Assistant Head of Year or the school office will assist them in this.

If a pupil has their phone confiscated, it is returned at the end of the day. If, however, it is subsequently confiscated, then this will involve a longer period of confiscation of up to a week. If a child's bus pass is on their phone, the office will lend them the bus fare to get home, but please inform the school via email (bmullins@cardiff.gov.uk) if you would prefer to make arrangements yourself to collect your child rather than let them make their own way home without their mobile phone.

Clearly, it is in everyone's interest that pupils do not have their phones taken and if parents could remind their children about this we, as a school, would be grateful as it makes life much easier for all concerned.

Thank you

Digital Day

Digital Day took place 14th November, where a group of selected year 9 pupils undertook three challenges that promoted digital creativity.

The initiative was carried out by BIMA, an organisation whose professionals provided an insight into the digital careers that are available to the pupils, as well as their own experiences in the field.

The pupils were split into groups of three, with one challenge consisting of designing a method of how artificial intelligence, virtual reality and robotics could prevent school bullying.

Another included designing a product or service that would help pet owners socially or on a level of convenience. The third challenge was based around designing a fashion product or item with advanced digital features to alleviate every day efforts.

The competition packs were sent off in the hope that we could claim one of the many prizes on offer nationally to all schools who entered.

Digital Day 14th November

Year 8 Geography Fieldtrip

During the week beginning the 27th November, the Geography department took all Year 8s on a fieldtrip as part of their shopping unit of work. This involved collecting data and comparing different shopping areas of Cardiff. This year, our areas of study were Cardiff City Centre, the Christmas markets and Cardiff Gate Retail Park. The trip is an invaluable experience and allows our pupils to see the theory and content that we learn in class, happening in real life. Geography is a subject that should encourage and inspire our pupils to take note of the world around them and fieldwork opportunities certainly allow them to do this. It was an absolute pleasure to take Year 8 out for the day, especially when members of the public told staff that our young people are a credit to the school. Finally, alongside getting the work done for their assessment, they also enjoyed a spot of Christmas shopping and some nice lunch from the Christmas markets!

Year 8 Pupils at Cardiff Christmas Markets

ATTENDANCE

The whole school attendance total is currently running at 96.10%, which is lower than we would want it to be for this time of year. The Welsh Assembly Government's target for **pupil attendance** is **95%**. Anything under this figure could mean that the Educational Welfare Service will contact you to find out why your child has been absent from school.

Below is a current breakdown of each Year Group's attendance:
(11.12.17).

Year 7	98.0%
Year 8	96.0%
Year 9	95.4%
Year 10	95.5%
Year 11	95.6%

It is a parent's legal responsibility to ensure their child attends school every day.

Parents responsible for children who exhibit poor attendance risk prosecution and a **Fixed Penalty Notice** fine being issued by the Local Authority.

Children are not allowed to go on holiday during term time.

Absences due to Illness or Medical Appointment

Although you may have contacted the school by telephone, E-mail or in person to notify us of your child's absence, you are still required to provide a parental note, E-mail or appointment card in order for the absence to be authorised. In certain circumstances of illness medical evidence may be requested in order to authorise your child's absence.

WHY ATTENDANCE MATTERS

<u>Attendance</u>	<u>Absence</u>	<u>Lessons Missed</u>	
100%	0 Days	None	😊
99.5%	1 Day	5 Lessons	😞
97.4%	5 Days	25 Lessons	😞
95%	10 Days	50 Lessons	😞
80%	38 Days	190 Lessons	😞
70%	57 Days	285 Lessons	😞

Missing lessons makes the work more difficult.

For every day you are absent from school YOU fall behind in **5 Subjects**.

100% Attendance = ACHIEVING YOUR POTENTIAL

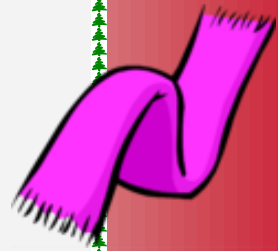

Wishing you a Merry Christmas and a Happy New Year and thank you for your continued support.

Year 11 CoPE Group - Cardiff City Centre Homeless Project

On 21st December we went to Cardiff City Centre to see how homeless people live. We went by mini bus from school and were dropped outside the museum. Before our visit we found out what the homeless need and we decided to pack and give out socks and hats to whoever we could find sleeping rough on St Mary's Street and Queen Street. We decided to donate some hats and socks to The Huggard homeless Centre. When we arrived at The Huggard Centre our first impression was that it looked like a prison. We learned from a member of staff that it offers a day centre and 18 hostel rooms and for vulnerable people at night they offer floor space. From this experience we have become more aware of homeless people and their issues and we know about the help that the centre offers and that Cardiff is one of the best cities for helping the homeless. We also feel good for helping those who are less fortunate.

YEAR 11 COPE TRIP TO BATH

As part of our course Mrs Chidley asked us to plan a day trip looking at the cost, transport, restaurants, places of interest etc. We decided to go to Bath because it would be a nice place to visit at Christmas time. We all chose to go by train as it would be faster! We caught the train at 9:45am and had reserved seats! We got into Bath at 10:30 and we went to The Roman Baths for a really interesting tour. After 70 minutes we went to McDonald's restaurant where we had an amazing meal!! We were then allowed to go shopping in the Christmas market and high street for an hour before catching our train back to Cardiff. It was the best day ever we couldn't ask for anything better. We would like to give a big massive thank you to Mrs Chidley and Mrs. Jackson for taking us. Also a big thank you to Mrs Pavlovic for letting us go!! Merry Christmas everyone from the Year 11 CoPE g

Corpus Christi Student Council 2017

At the beginning of the year, each registration group in the school elected two representatives for the 2017 School Council. The School Council meets once every half term to discuss topical issues. The views and ideas expressed are then fed to Mrs Pavlovic in a separate meeting to ensure that pupils have a 'voice' or a 'say' on important school matters.

For example, in the first meeting, pupils were asked to give feedback on the idea of zoning playgrounds and toilet facilities on a 'Year group' basis. All the views expressed have been taken into consideration in the formation of new policies this year. Members of the School Council have also had other exciting opportunities over recent weeks!!

Cardiff Youth Council

Several members of our student council have volunteered to represent our school at the Cardiff Youth Council meetings. The CYC is a city wide network for young people, which provides them with the opportunity to participate in decision-making with other young people. It will enable them to influence life in and around Cardiff.

Board, Police and Criminal Investigation Board, Eco-committee and Fire Department. We also met with Huw Thomas, the Head of Cardiff Council. To end the event, we were able to ask challenging questions which helped us to understand how the City of Cardiff is run and we were given an insight into future plans for the City."

Grand Council Event -12th December (written by Pranjil Pokarel)

"On Tuesday 12th December, Patrick Topham, Pranjil Pokharel, Christian Morris and Benjamin Turner attended a Grand Council Event in the City Hall as Representatives of Corpus Christi. During the event, we met with pupils from other schools to discuss the well-being of people in Cardiff and how we could improve the infrastructure of the City as the population increases rapidly.

We presented our ideas in groups to 'Heads' of the Health Board, Police and Criminal Investigation Board, Eco-committee and Fire Department. We also met with Huw Thomas, the Head of Cardiff Council. To end the event, we were able to ask challenging questions which helped us to understand how the City of Cardiff is run and we were given an insight into future plans for the City."

Meeting the Slovakian Ambassador

We were very proud of all the members who met with the Slovakian Ambassador on Monday 4th December. He came along to visit the school with the Archbishop. The Student Council made our important visitors feel extremely welcome and took part in a very engaging question and answer session.

The Slovakian Ambassador was particularly excited to meet and chat with Barbie Gyurovicsova in Year 10. She is Slovakian herself and was able to chat with him and tell him all about our school in her first language!!

To parents of Year 10 pupils:

Due to recent changes to the exam entry system implemented by Welsh Government, the planned early entry/resit option for GCSE Mathematics and Mathematics-Numeracy has very recently been abolished. As of September 2018, the grades achieved by pupils' first entry will now count towards the GCSE results of Summer 2019. As a result, most pupils will now sit all four examinations in the May/June of Year 11. Those pupils who have completed both GCSE courses, and are able to achieve their full potential by November 2018 (typically Set 1 and Set 2), may be considered for the November GCSE examinations. This will allow a number of Higher Tier students to begin the Additional Mathematics course. For those pupils who have started Year 10 following the Intermediate Tier courses, they will still have the opportunity to complete their studies at Higher Tier. Mock examinations will be set in place of the November GCSE examinations in Year 11. Should pupils achieve at least one B grade at Intermediate Tier, they will sit the GCSE examinations at Higher Tier and have the opportunity to achieve A* to C grades. For learners who achieve at least one D grade at Foundation Tier in the November mocks, they will continue their studies at Intermediate Tier, aiming for C and B grades.

Please contact Mrs Bussell, should you have any further queries.

Assembly Talks from Cardiff & Vale University Health Board & Kier Construction

Rachel Gidman; Head of Learning, Education and Development at Cardiff & Vale University Health board gave an excellent presentation to Year 10 pupils at Corpus Christi Roman Catholic High School. Andrea Davies; the Careers Adviser at the school identified Healthcare as the year's most popular sector.

Mark Cowley; Design Manager from Kier construction spoke with Year 11 pupils from Corpus Christi Roman Catholic High School. Mark discussed the various careers in the construction sector, Apprenticeships and spoke about local sites that he has personally worked on. Andrea Davies identified construction as a preferred occupation from the years Career Check results.

Corpus Christi Careers Event

Dear Parents / Carers,

Re: Careers Information Evening

We are delighted to announce that Corpus Christi High School will be holding a Careers Information Evening for pupils in Years 9, 10 and 11, on Thursday 1st February 2018.

A very warm welcome is also extended to the Parents/Carers of years 9, 10 and 11 pupils, to accompany their son/daughter to the event.

The details for the event are as follows:

Date: Thursday 1st February 2018

Time: 4.30pm – 6.30pm

Venue: School Hall, Corpus Christi High School

One of the key objectives of the event is to provide our pupils with an insight into the widest cross-section of individual careers and industries, as possible, and we hope that some of you may be able to assist.

We are looking for representation from across all professions. If you feel that you could support our event by representing your company/profession or you are able to signpost me to a colleague who may be able to assist, please complete the slip below and return via your son/daughter's registration class, at the school.

Pupil engagement will be key to the success of this first event at Corpus Christi and we hope that, it will provide a platform for the ongoing dissemination of careers opportunities and future careers related activities. Thus, we would actively encourage interactive displays, demonstrations, videos, quizzes, including anything that our pupils can roll up their sleeves up and 'have a go' at, and so encourage them to find out about as many different careers as possible.

A small number of prizes will be awarded to pupils for the most pro-active participation in the event.

Event Sponsorship - A number of event sponsorship opportunities are available. If you would like to find out more about sponsoring the event or would like to donate a pupil prize, please feel free to get in touch.

We look forward to welcoming you to our Careers Evening!

Many thanks

Mrs N. L. Killen

Chwarae Teg

Corpus Christi pupils were invited to attend Wales' leading gender equality charity Chwarae Teg as they celebrated 25 years of making Wales fairer for all.

Pupils had the opportunity to try some new experiences such as construction skills with CITB, Football with Cardiff City FC, and Radio presenting with BBC Radio Wales. They also learnt about the role of the National Assembly for Wales and had an image session with Full Circle education. There were inspiring talks from role models which the pupils thoroughly enjoyed.

The Shoe Box Appeal 2017

The 2017 Shoe Box Appeal raised 117 boxes. . This is the 14th anniversary of Corpus Christi running the appeal and thousands of boxes have been donated and distributed through the years. Boxes will go to Albania, Bulgaria, Hungary, Kosovo, Moldova, Pakistan, Romania, Serbia and Ukraine this year. These shoe boxes will brighten up the lives of children in need at Christmas. A big thank you to everyone who donated and a special well done to the YR 10 SWEET group who were responsible for organising the appeal as part of their course. They also made Christmas cards to sell to raise money to buy shoe boxes for next year's appeal.

Lower school Year 7 pupils making festive yule logs in Food
with Mrs Wilson

School Uniform Update

A big thank you to parents for complying with the uniform rules regarding shoes this year. We have only had to 'make available' two pairs of shoes since September, which is a huge improvement on last year.

On a more negative note, we need to reinforce rules about school skirts. The length of the skirt should be no shorter than just above the knee. Unfortunately, a minority of girls are wearing skirts that, quite frankly, are causing embarrassment to members of staff and visitors to the school.

If your daughter is wearing an unacceptable length skirt, please rectify this during this Christmas holiday.

Girls will be expected to wear a suitable length A-line skirt or trousers from Monday 8th January.

RULES FOR SCHOOL BUSES

- **DO NOT EAT OR DRINK ON THE BUS**
- **DO NOT BLOCK AISLES OR EXITS WITH BAGS**
- **DO NOT DISTRACT THE DRIVER**
- **DO NOT STAND UP UNTIL THE BUS HAS STOPPED. YOU MUST REMAIN SEATED THROUGHOUT THE JOURNEY.**
- **YOU MUST WEAR A SEATBELT**
